

HILLWOODS SCHOOL, GANDHINAGAR
HOLIDAY HOMEWORK – CLASS III (2024-25)

Have a great
Summer
Vacation!

Dear students,

Enjoy your holidays. Keep yourself healthy, happy and occupied. You can relax, rejuvenate and utilize time in creative and constructive ways. It's that time of the year where things can be learnt, tasks completed and energy recharged.

So students, do remember the following:

***Take good care of your health by eating nutritious food and exercising regularly.**

***Use magic words: Sorry, Please, Thank You. They do wonders. Indulge in meaningful activities.**

***Let the summer breeze sail through your hair. Ride, play, run, fly with the wings of happiness.**

***Complete the work and activities assigned neatly in coloured A-4 size papers and keep them in a hand-made folder (made by you).**

Decorate the folder beautifully. Bring it to the school with your name and class mentioned on it.

***Try to converse in English with your parents in order to improve your fluency and confidence.**

***Be independent and do the work on your own.**

***Parents are requested to only guide their children while doing the assigned project.**
