HORIZONS

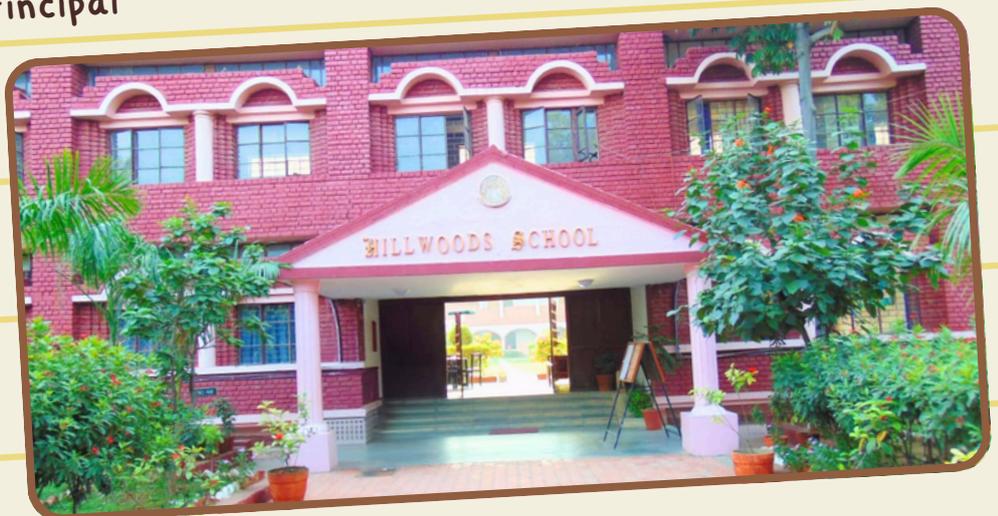

A Hillwoods Digest

As the month of June bids us goodbye, it marks a fresh beginning filled with renewed energy and enthusiasm. After a refreshing summer break, it was heartening to see our students return with bright smiles and eager minds, ready to embrace the new academic session. June was a vibrant month, bustling with classroom engagements, house activities, and creative pursuits that helped set a positive tone for the year ahead.

A special highlight was the celebration of International Yoga Day, where our students participated with great zeal, embracing the values of mindfulness and well-being. As we step into July, I look forward to the continued spirit of learning, collaboration, and joyful exploration that defines our school community.

Wishing you all a month ahead filled with purpose, passion, and positivity!

Warm regards,
Dr. Smita Laur
