PRINCIPALS MESSAGE

Dear Parents and Students,

This month has been a wonderful reflection of our commitment to holistic education, where academics, creativity, innovation, sports, and values have gone hand in hand. From nurturing scientific curiosity and leadership skills to celebrating language, culture, environmental responsibility, and sporting excellence, every activity has empowered our students to learn beyond the classroom. I congratulate all participants and achievers and thank our dedicated teachers and parents for their continued support in shaping confident, compassionate, and future-ready learners.

Best wishes
Dr. Smita Laur
Principal

CURIOUS CREW

Hindi Poem Recitation

Nursery and KG students confidently recited Hindi poems with expressive actions and creative props. The activity enhanced their pronunciation, confidence, and love for poetry.

Movie Time Activity

A fun-filled Movie Time gave children a real theatre experience with tickets, popcorn, and free dress. The activity encouraged social interaction and joyful learning.

Phonetic Sound Activity

Students matched letter sounds with objects through an engaging hands-on activity. It strengthened phonics, vocabulary, and listening skills.

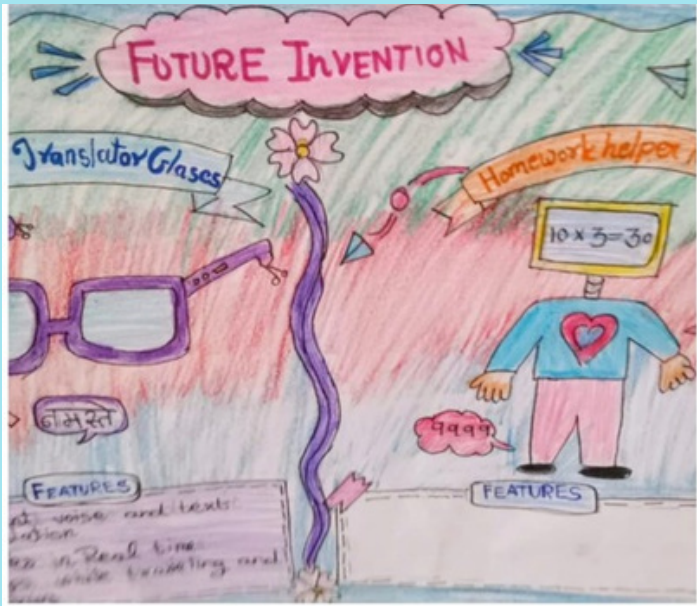

Sand Tracing Activity

KG students practised cursive letter formation using sand trays in a fun sensory experience. The activity improved fine motor skills and writing confidence.

TINY TRAILBLAZERS

Future Scientists week

Students explored scientific concepts through hands-on experiments like Air Occupies Space and Sugar Rainbow. The activities nurtured curiosity and scientific thinking.

Good Gala Habits

Classes I and II presented role plays on good manners, empathy, and kindness, followed by a gratitude gesture towards the school support staff. The activity reinforced compassion and positive values.

FUTURE FORWARD

Character Talk

Students confidently portrayed renowned freedom fighters, showcasing excellent presentation skills and patriotic spirit. The competition inspired admiration for national heroes.

Spell Bee

The Spell Bee Competition strengthened students' vocabulary and spelling skills through healthy competition. Takshashila House emerged as the winner, followed by Sanchi House.

Second Club Meeting

Students enthusiastically participated in diverse club activities promoting creativity, leadership, innovation, and teamwork. The session provided meaningful experiential learning opportunities.

English Week Celebration

English Week celebrated language through engaging activities including character talks, poetry, vocabulary games, and performances. The week fostered creativity, confidence, and effective communication.

Sports

National Throwball Championship

Our students proudly represented the school at the 36th Junior National Throwball Championship. Dhonison Haobijam earned the Man of the Match title in two matches.

Inter-District Chess Competition

Yanvi Solanki of Class IV secured the 4th position at the Inter-District Chess Competition. Her achievement reflects dedication and strategic thinking.

National Ice Skating Championship

Dhvaja Patel and Nayra Dhaval participated in the National Ice Skating Championship, with Dhvaja qualifying for the Asian Trials.

Inter-House Junior Cricket Tournament

Sanchi House emerged as champions, while Takshashila House finished as runners-up.

Inter-House Throwball Competition

Ujjain House won the Inter-House Throwball Championship, with Nalanda House securing the runner-up position.

Samsung Solve for Tomorrow Workshop

Hillwoods School hosted the Samsung Design Thinking Workshop, inspiring students to develop innovative solutions for real-world challenges. The session encouraged creativity and problem-solving.

GUJCOST IP Inventor Lab

Our students secured the Third Prize at the GUJCOST IP Inventor Lab for their innovative Disability Aid project. Their achievement showcased innovation and scientific excellence.

Energy Club – Upcycling Activity

ATL students creatively transformed old T-shirts into reusable tote bags through an upcycling workshop. The activity promoted sustainability and environmental responsibility.
